

Spokane County ARES / RACES

Amateur Radio Emergency Service / Radio Amateur Civil Emergency Service

QST, QST, QST. This is Net Control Station [call] calling the Spokane County Amateur Radio Emergency Service Net. This is a directed net, meeting every Tuesday at 2000 hours local time on the Spokane County ARES/RACES Repeater at a frequency of 147.30 MHz. All stations are invited to check in. Be advised that this repeater requires a 100 Hz sub-audible tone for access.

The purpose of this net is to provide information and coordination concerning the joint activities of Spokane County's Amateur Radio Emergency Service and Radio Amateur Civil Emergency Service. It is also intended to serve as a weekly emergency net operations training session.

All stations standby for check-in. Be advised that STATIONS WITH EMERGENCY TRAFFIC MAY BREAK IN AT ANY TIME. (pause) All other stations, please observe proper procedure for any transmission. Visiting stations will be invited to check-in after the call for ARES/RACES members.

This is Net Control Station [call] now calling for ARES/RACES officials:

- Spokane County Emergency Coordinator and RACES officer:
- Spokane County Assistant Emergency Coordinators:
- ARRL District and Section Officials:
